

Improve productivity with the battery equipped **POWERBOX**

PowerCart PowerBox

Every Footstep Has a Price. *Saving Footsteps Benefits The Customer*

- Increase productivity
- Leverage the existing wireless infrastructure
- Supply mobile power to any existing equipment
- Keep investment in existing equipment
- Support virtually any hardware
- Retrofit any existing cart or fixture with mobile power

*All these saved footsteps makes for a compelling ROI.
A fact not lost on our clients.*

*“These were easy to add to
our carts and simple to use.
Thanks for the support.”*

We are the ORIGINAL industry founder with a legendary reputation for reliability and on-time delivery with over 45,000 units sold. We continue to lead the industry in design and innovation, continually working with our clients to achieve greater operational efficiencies and maximizing their ROI.

One cart does not fit all requirements. We offer all our solutions with multiple configurations and power options. All with a bumper-to-bumper one year warranty – the best in the industry.
