

Improve Productivity with the battery equipped *PowerCart* DC SERIES

PowerCart DC 1200

Every footstep has a price.
Saving footsteps
Benefits the customer

- Places an associate on the floor instead of in the office
- Reduces errors
- Gets more done in less time
- Improves speed of service
- Save 0.3c/step or \$30 per employee per day (Customer Evaluation)
- Integral part of any lean strategy
- Leverage existing wireless infrastructure
- Increase employee satisfaction
- Increase productivity
- Use technology where you need it

“We purchased this cart from you guys and are VERY happy with it. It is exactly what we needed in our facility.”

All these saved footsteps makes for a compelling ROI. A fact not lost on our clients.

We are the ORIGINAL industry founder with a legendary reputation for reliability and on-time delivery with over 45,000 units sold. We continue to lead the industry in design and innovation, continually working with our clients to achieve greater operational efficiencies and maximizing their ROI. One cart does not fit all requirements. We offer all our solutions with multiple configurations and power options. All with a bumper-to-bumper one year warranty – the best in the industry. Ask us about our extended bumper to bumper warranties
